

type in bill amount,  
tap enter

new content  
slides in  
over numbers

~~old content~~  
% shown

when % is  
tapped, the  
total value  
(tip + bill)  
will be shown

when custom  
value box is selected,  
numbers slide  
back in over other  
percentages

when user  
taps on  
bill amount  
area, numbers  
slide back in  
to type in a  
new bill amt.

slide up, not in from side
